

1 Colorie le dessin si le trait en pointillés est un axe de symétrie.

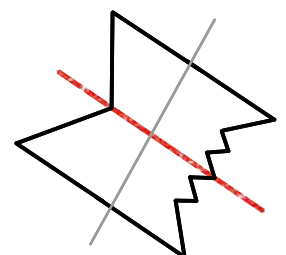

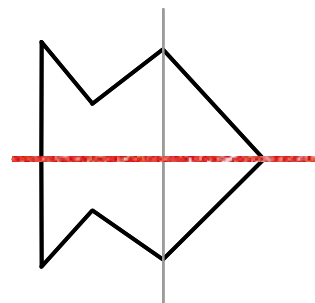

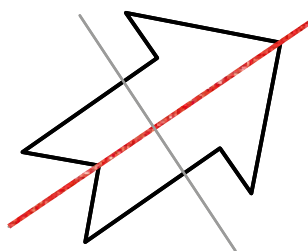

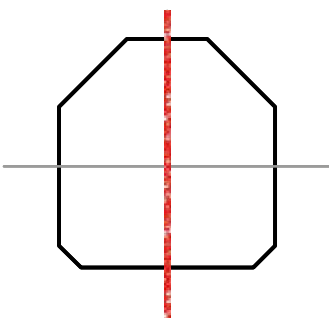

J'ai tracé l'axe de symétrie de ce dessin en pointillé.

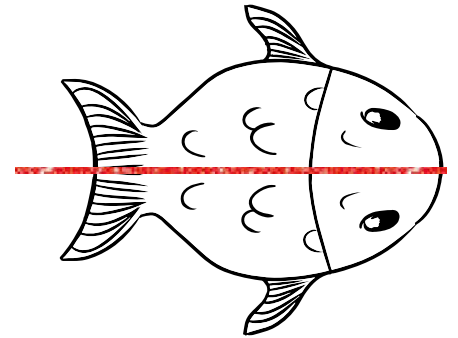

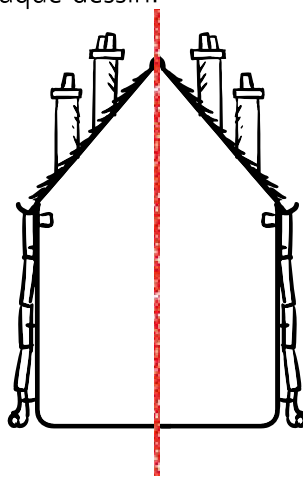

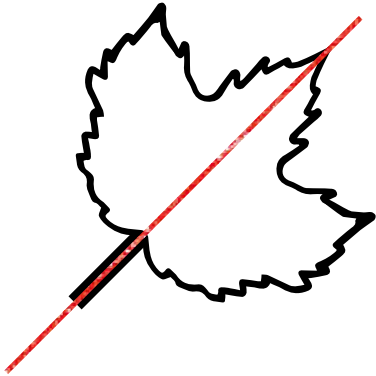

2 Repasse en rouge l'axe de symétrie.

3 Repasse en rouge l'axe de symétrie.

1 Trace en rouge l'axe de symétrie de chaque dessin.

2 Trace en rouge le (ou les) axe(s) de symétrie de chaque figure.

Attention !  
Certaines figures peuvent  
avoir plusieurs axes  
de symétrie.
