Le soleil : avec des crayons sur fiche

Lecture et compréhension : le piano des bois (une autre interprétation)

1. Raconte ce qui se passe.

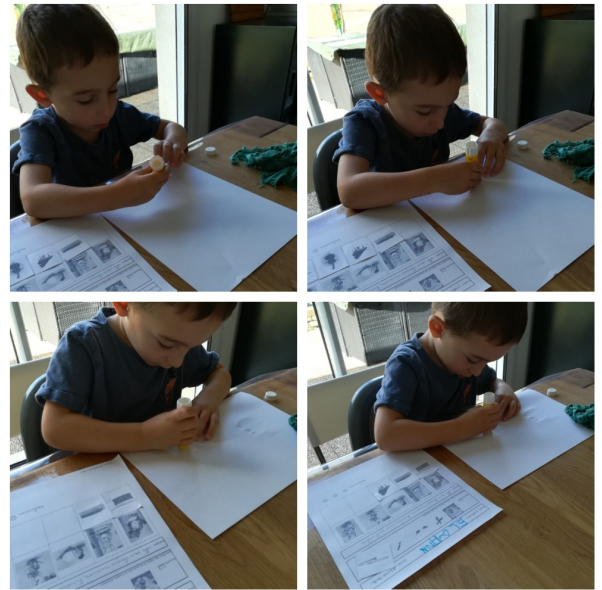

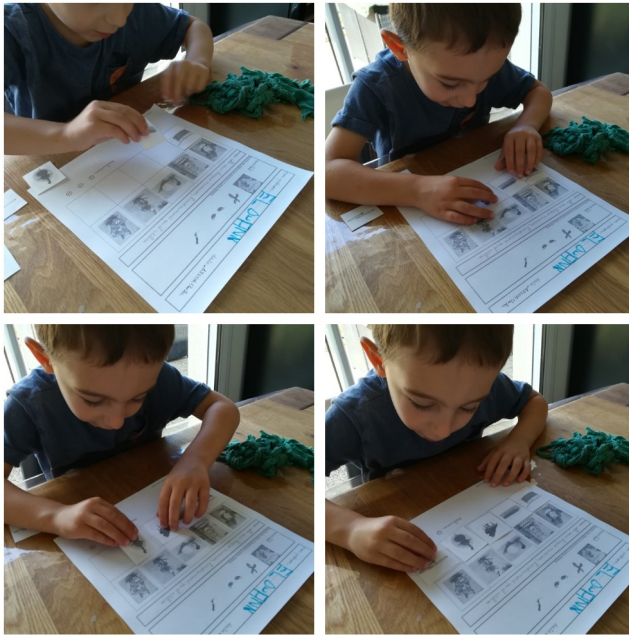

Les mots d'Elouann : On entend beaucoup les instruments de musique et les voix sont différentes. Pourquoi ils ne chantent pas. ? Moi j'aime quand ils chantent. C'est la même histoire que l'autre jour.

2. Ecoute avec les images :

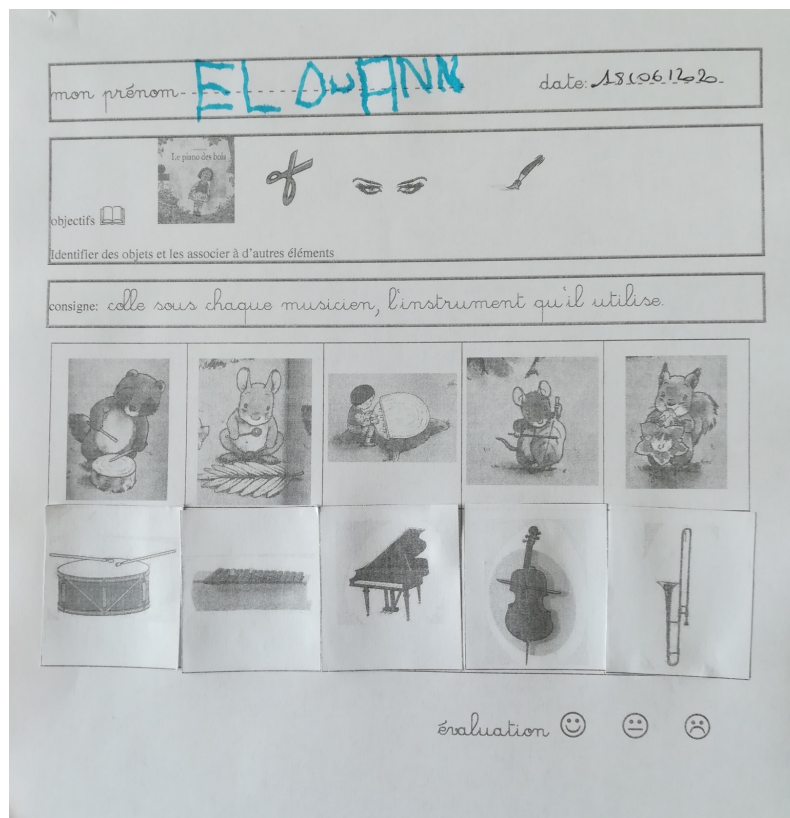

3. Associer l'instrument à chaque musicien

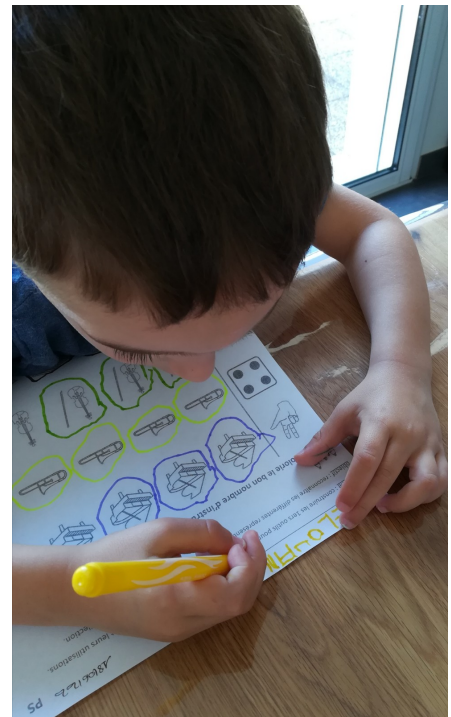

J'écris mon prénom, je place les instruments et je colle les instruments.

Et voici le résultat :

Mathématiques : reconnaître les différentes représentations du 3 et du 4 et entourer le bon nombre d'instruments.

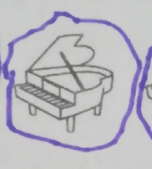

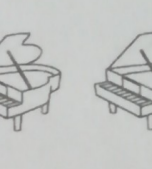

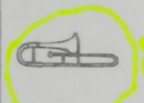

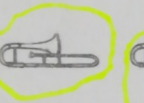

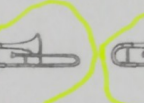

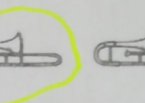

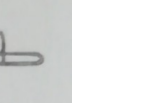

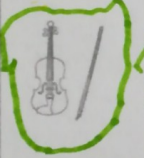

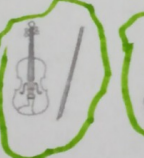

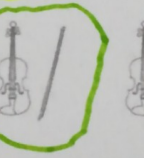

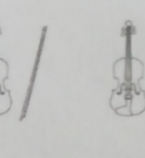

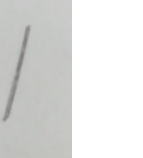

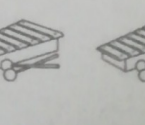

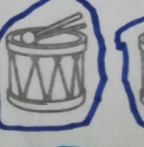

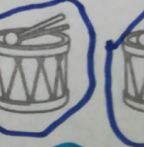

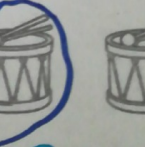

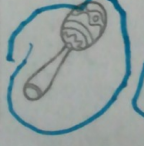

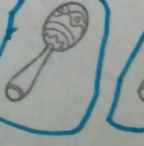

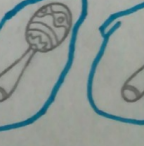

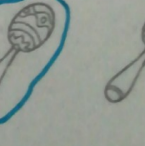

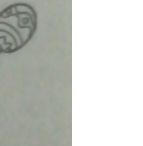

Prénom : ELOUANN 18061202 PS

domaine : construire les 1ers outils pour structurer sa pensée / découvrir les nombres et leurs utilisations.

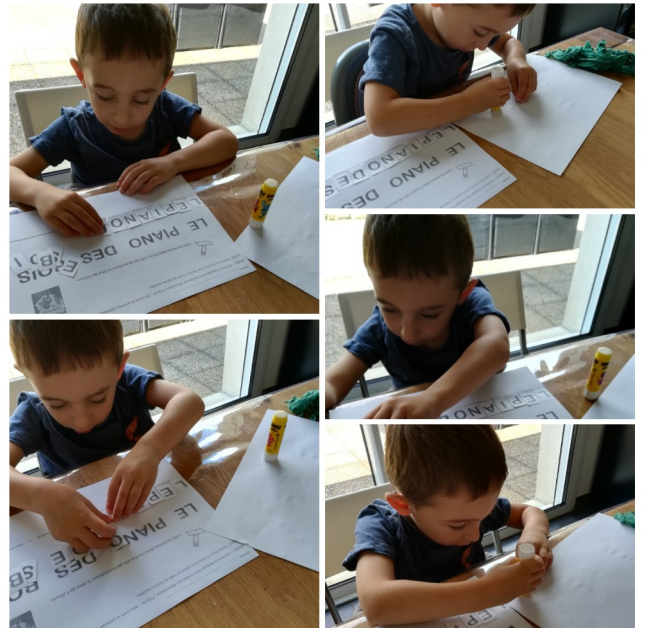

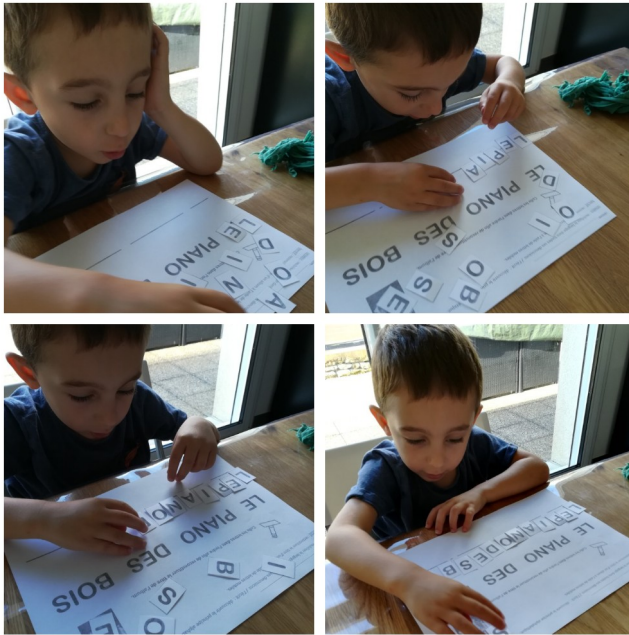

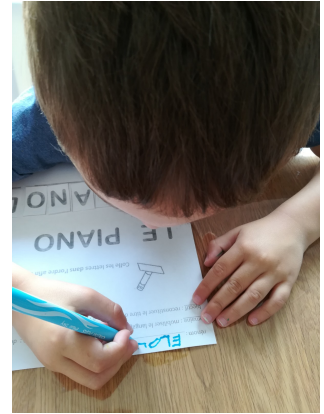

objectif : reconnaître les différentes représentations des nombres 3 et 4 et y associer une collection.

 Colorie le bon nombre d'instruments.
