

1 Calcule les différences.

J'enlève seulement  
3 dizaines à 48 !

$$48 - 30 = 18$$

$$58 - 20 = \underline{38}$$

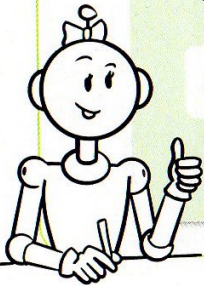

$$68 - 40 = \underline{28}$$

$$64 - 40 = \underline{24}$$

$$82 - 50 = \underline{32}$$

$$79 - 50 = \underline{29}$$

$$91 - 30 = \underline{61}$$

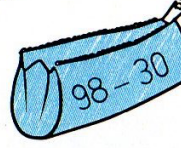

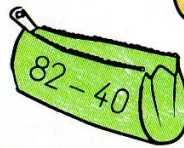

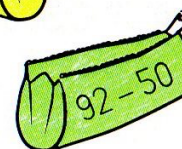

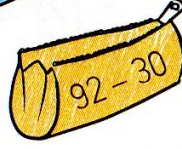

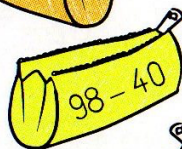

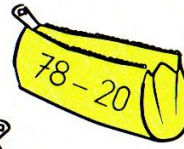

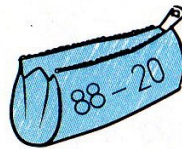

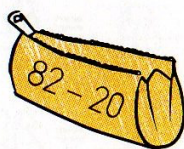

2 Colorie les troussees selon le code couleur.

42 vert

58 jaune

62 orange

68 bleu

3 Calcule les différences.

$$98 - 10 = \underline{88}$$

$$83 - 40 = \underline{43}$$

$$87 - 80 = \underline{7}$$

$$74 - 30 = \underline{44}$$

$$50 - 50 = \underline{0}$$

$$69 - 30 = \underline{39}$$

$$87 - 70 = \underline{17}$$

$$92 - 40 = \underline{52}$$

$$98 - 80 = \underline{18}$$
