Where does she live? (x 2)

She lives in India, her name is Aruna, (x 2)

How is her house? (x 2)

Her house is small,

There is no corridor.

No wallpaper,

There is only one door.

She is Aruna,

Here there and everywhere. (x 2)

Where does he live? (x 2)

His name is Jonathan. (x 2)

How is his house? (x 2)

His house is big,

There is a long living room.

There is a kitchen,

A bedroom and a nice bathroom.

Here there and everywhere. (x 2)

Where do you live? (x 2)

I live in the air,

My house is everywhere.

I am a bird and I live

Here, there and everywhere! (x 2)
