

How many...?

Can you go to the market please

To buy butter to make cakes?

I can go on Sunday morning

Do you need anything else?

Yes I do, I need eggs, apples and bananas.

How many eggs do you need? ... two!

Butter and eggs, apples

And yellow bananas

And yellow bananas

Can you go to the market please

To buy sugar to make cakes?

I can go on Sunday morning

Do you need anything else?

Yes I do, I need milk, vanilla and chocolate.

How much chocolate do you need? ... what else?

Refrain (x 2)

Sugar and milk, vanilla

And dark chocolate

And dark chocolate (x2)

How many...?

Can you go to the market please

To buy butter to make cakes?

I can go on Sunday morning

Do you need anything else?

Yes I do, I need eggs, apples and bananas.

How many eggs do you need? ... two!
