

Yesterday, today and tomorrow

Yesterday was cloudy,
I was in South Africa.
Today is windy,
I am in Australia.
Tomorrow will be sunny,
I will be in my country.

**In winter I prefer
The sun of New Zealand. (x 2)
In Summer I prefer
The sun of Scotland. (x 2)**

Yesterday was cloudy,
I was in England.
Today is windy,
I am in Ireland.
Tomorrow will be sunny,
I will be in my country.

The sun of Scotland... In Inverness on Friday.

The sun of Scotland... In Stirling on Sunday.
