

DEFI N°1 – classe CE1

1. Parachute cible

sur 10 points

Une équipe de 4 parachutistes doit atterrir dans une des zones du champ.

Pour calculer le score de l'équipe, on ajoute les points gagnés par chaque parachutiste.

L'équipe a gagné 17 points. Trouve les 3 possibilités d'atterrissage ?

2. Quel monstre suis-je ?

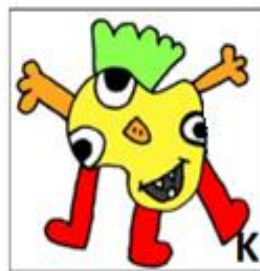

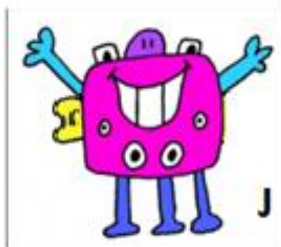

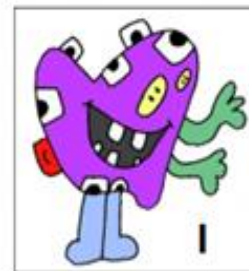

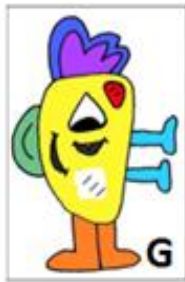

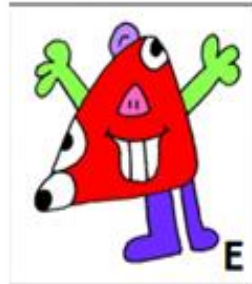

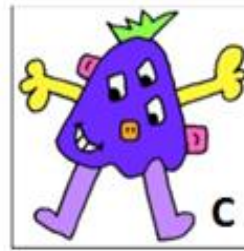

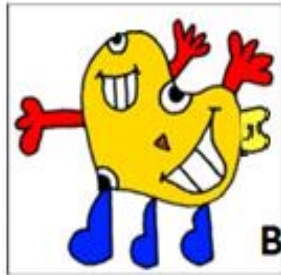

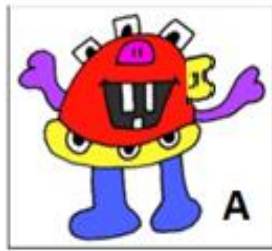

sur 10 points

Je ne suis pas dans la colonne de droite.

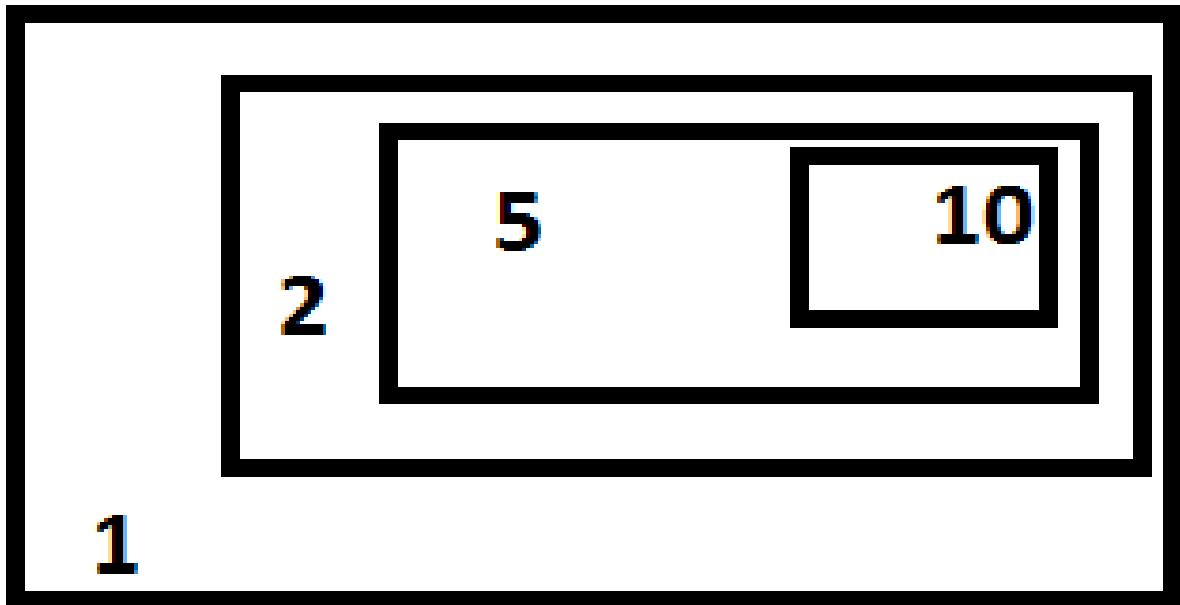

Je ne suis pas sur la deuxième ligne.

Je suis à droite d'un camarade monstrueux.

J'ai 1 oreille et 3 pieds.

## AIDES POSSIBLES

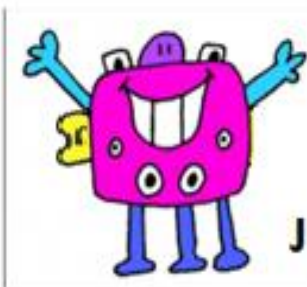

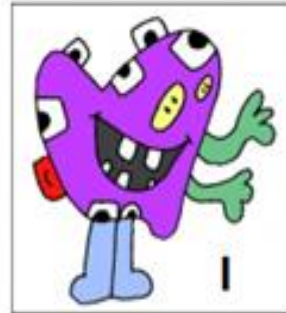

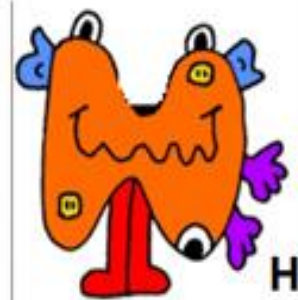

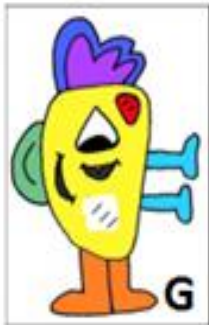

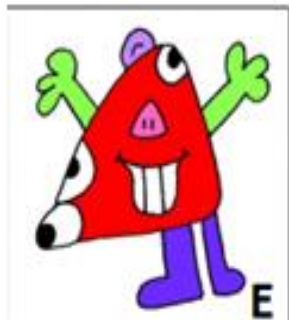

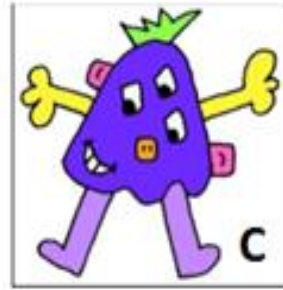

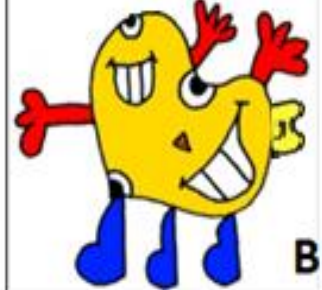

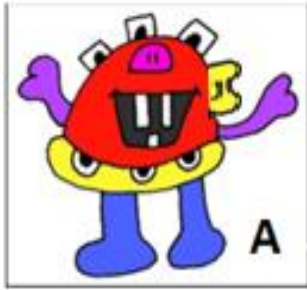

$$\dots + \dots + \dots + \dots = 17$$

$$\dots + \dots + \dots + \dots = 17$$

$$\dots + \dots + \dots + \dots = 17$$
