32 Comparer les nombres à 2 chiffres

✔ Je sais comparer les nombres à deux chiffres.

d	u
6	4

d	u
8	2

$64 < 82$

Je commence par comparer le nombre de dizaines.
Le nombre le plus grand est celui qui a le plus de dizaines.

Quand les nombres ont le même nombre de dizaines, je compare les unités.

d	u
7	5

d	u
7	2

$75 > 72$

1 Écris le nombre de cubes dans les tableaux et entoure la collection la plus grande.
