### VERBES

## BREAKFAST / MONDAY MORNING

Betty, *en train de manger* : **What are we doing today ?**

Steve, *endormi* : **I don't know. I'm tired.**

Betty : **Tired ? But you sleep all day !**

Steeve hausse les épaules.

Betty : **I want to go to the zoo.**

Steve : **Again ? Oh no !**

Betty cherche quelque chose dans le placard.

Betty : **Steve ? Where are the cornflakes ?**

Steve : **I don't know.**

Betty : **And where is the milk ?**

Steve : **I don't know.**

Betty : **It's impossible... they have disappeared !**

Betty semble très ennuyée.

Betty : **Well... Nothing to eat.**

Steve : **And nothing to drink.**

Betty : **Let's go to the zoo !**

Steve : **No, I want to sleep.**

Betty : **But Steve, we are on holiday !**

Steve : **I know. Go to the zoo if you want.**

Steve retourne dans sa chambre et Betty part se préparer.
