

A diagram of a green obstacle course. It consists of two parallel vertical lines of five circles each. The top circle of the left line is shifted to the right, overlapping the top circle of the right line. At the bottom left, there is a green rounded rectangle labeled "DÉPART". At the top right, there is a green rounded rectangle labeled "ARRIVÉE" with a green flag on a pole above it. The flag has two white stars. A vertical dotted line is positioned to the right of the "ARRIVÉE" sign.

DÉPART

ARRIVÉE

A diagram of a yellow obstacle course, identical in layout to the green one. It consists of two parallel vertical lines of five circles each. The top circle of the left line is shifted to the right, overlapping the top circle of the right line. At the bottom left, there is a yellow rounded rectangle labeled "DÉPART". At the top right, there is a yellow rounded rectangle labeled "ARRIVÉE" with a yellow flag on a pole above it. The flag has two white stars.
