

The sun is shining

The sun is shining.
I love the sun. Me, too.
The sun is shining.
I love the sun. Me, too.
The sun is shining.
I love the sun.
The sun is shining today.

It's raining today.
I love the rain. Not me.
It's raining today.
I love the rain. Not me.
It's raining today.
I love the rain.
It's raining, raining today.

It's snowing today.
I love the snow. I'm cold.
It's snowing today.
I love the snow. I'm cold.
It's snowing today.
I love the snow.
It's snowing, snowing
today
