

Le cycle de vie d'une grenouille

Découpe les images dans les cases et place les au bon endroit sur les points d'interrogation !

A large illustration of a pond scene with five orange boxes containing red question marks. Pink arrows indicate the flow of the life cycle. Below the pond is a sequence of five small panels showing the stages of a frog's life: 1. A frog sitting on a lily pad with a cluster of eggs. 2. A green frog sitting on a lily pad. 3. A green frog on a lily pad with a dragonfly nearby. 4. A tadpole in the water. 5. A froglet on a lily pad.
