

Script dialogue :

C : What's your favorite school subject Arshya ?

A : My favorite school subject is Science. And you, do you like Science, Crystal ?

C : No, I don't because it's difficult. I prefer French : it's easy.

A : And do you like Geography ?

C : No, I hate Geography because it's boring.

A : So, what's your favorite subject ?

C : My favorite subject is Math, it's really interesting.

A : I don't like Math but I like Music because it's fun.

C : I love music too. It's great.
